Course Policies

Grades

- We will have three midterms, in dates to be announced. Each will be worth 100 points
- We will have one final exam. It will be worth 150 points, and it will take place on the 4th of May, from 8:00 to 9:55 in the morning
- There will be a quiz each friday, starting the second week of classes, except for the weeks in which we have a midterm. The quizzes will have two or three questions regarding the material covered up to the tuesday before the quiz. The quizzes will be worth 100 points. The lowest two quizzes will be dropped from the average.
- We will have weakly homework, also starting the second week of classes. This will be done through WebWorks. They will also be worth 100 points, and the two lowest will also be dropped.
- This makes a total of 650 points. The letter grade will be based on the percentage of these points you earn throughout the semester. A tentative scale for the conversion from percentage to letter is given in the next page.

Making up missed work

- There will be no make-up for missed quizzes or homework, and no late homework will be considered.
- For missed exams you will need my permission to make them up. Only well justified exceptions will be considered to make up a missed exam.

Tentative Grade Scale

• 90% or more: A.

• 80 to 89%: B

• 70 to 79%: C

• 60 to 69% D

• 59% or less: F

The highest two points in each of the above intervals make the grade into a plus grade, that is, 99 and 100% are an A+, 88 and 89% are a B+, and so on. The lowest two points in each interval make the grade into a minus grade, so that 90 and 91% are an A-, 80 and 81% are a B-, and so forth.
