Assignments should be neatly-written, well-organized and concise.
If you miss a class and need to get an assignment, see

http://www.math.uakron.edu/~dpstory/

All class assignments and other announcements will be posted on this web site.

§5.2, pages 109–110.
1. Problem 3.
2. Problem 8. (Not assigned, but look at the follow-up question #9)
4. Problem 11. (This is a well-known engineering trick)
6. Problem 16.
